## Employment

### 2.1B DBS/CRB Policy

At Sunbeams Play we aim to provide a safe and secure environment for all children and young people who attend our sessions at all times.

- We will not allow any potential members of staff or volunteers to start working with the children/young people until their enhanced DBS/CRB is completed and returned to Sunbeams Play.
- Sunbeams Play management committee (Trustees) are required to confirm that the person is suitable to work with children/ young people once their DBS/ CRB has been completed and before they commence employment.
- We accept that this might cause a delay in starting employment or volunteer work, but the children/young people's safety is paramount and this policy must be adhered to at all times.
- If a staff member has a valid DBS/CRB when joining Sunbeams Play, and whilst their new DBS/CRB is being processed they are permitted to work within the main areas of the setting as long as there are other staff members present. This does not extend to personal care such as the toilets or changing area.
- Once the new DBS/CRB has been processed and received this exception is lifted.
- Staff will be asked to sign a declaration each year that there are no changes that Sunbeams Play should be aware of that will show up if a new DBS/CRB was to be sent off. Also, DBS will be recertified every 3 years that you are an active member of staff at Sunbeams Play.
- By "CRB" we mean enhanced CRB.
- BY "DBS" we mean enhanced DBS.
