Safeguarding Children and Young People

4. Arrival and Departure Policy.

Scope

- This policy outlines the procedure for the safe arrival and departure of children and young people attending Sunbeams.

Aim

- The aim of the policy is to ensure the safety of children and young people within the centre's care.
- By having a clear procedure for the arrival and departure the centre can be sure the children and young people remain safe.

Strategy

Enrolment

- Upon enrolment the parents/carers are required to complete a Parent/Carer Pack and provide details of persons authorised, and not authorised, to collect their child/young person.
Where a child has more than one parent with parental responsibility, the setting will release the child to any parent unless a court order or legal arrangement specifies otherwise. This applies even if the child normally lives with one parent on certain days. Parents are encouraged to inform the setting in advance of who will be collecting the child for each session to ensure smooth handovers. The setting will maintain a record of authorised collectors and follow any legal restrictions where provided.
- There is a section within this form that requests information about any custody issues in relation to the child/young person. It is very important that the centre is kept informed of any changes to custody arrangements so that the child/young person is only released to approved adults. The centre is required to have a copy of any legal documentation or order (e.g. Court Access Order, Custody Arrangements etc.) given to permanently or temporarily prevent a person from collecting a child/young person, so that the centre releases the child/young person to the appropriate parent/carer for collection. Please note it is the parent's responsibility to ensure we are aware. If at any stage the centre is unsure about custody arrangements in place for a child/young person the Manager/ Senior supervisor will ask the adult to wait until the parent/carer authorised to collect the child/young person is contacted.
- The centre will release a child/young person to authorised persons only. If necessary, photo identification or other official identification may be requested by the centre before the child/young person is released.

Change in authorised persons – permanent

In the event that the parents/carers want to change one of the nominated authorised persons (other than those nominated in the child/young person's Parent/Carer Pack) to collect the child/young person from the centre, it is the parent's/carer's responsibility to inform, preferably in writing, the Manager of the centre. If a legal order is given to permanently or temporarily prevent a person from collecting a child or young person, the centre will request a copy of the order and display a photo of that person and the child/young person concerned in the office so that all staff are aware of the order.

Change in authorised person – one off arrangement

In situations where an unauthorised person is to collect the child/young person, the parents/carers are responsible for notifying the centre by telephone or letter. The parent/carer may be required to complete a permission slip to verify the details of the newly authorised person. The centre will request the following information about the person:

- Person's name.
- Relationship to the child.
- Daytime contact details.
- Password.

If prior notice is not given to the centre and/or identification is not presented, the unauthorised person will be unable to collect the child/young person from the centre until the parent/carer has been contacted and permission given. If a parent/carer is unable to be contacted, then the child/young person will remain in the centre's care.

Arrival Procedure

Sunbeams opening times

Children/young people can only be delivered and collected by a responsible adult. Brothers and sisters under 18 years of age are not appropriate for this responsibility. On arrival, each child, young person or vulnerable adult must be escorted into the centre by a member of staff and recorded on the attendance register.

Parents/Carers are required to:

- Upon arrival the parent/carer or other authorised person must press the Camera/intercom button on the side of the outside door; this buzzes to a member of staff in the building.
- A staff member will welcome the child, young person or vulnerable adult and allow them into the main room.
- A staff member will escort the child, young person or vulnerable adult to the coat/bag/shoe rack where they can leave these items.

Staff are required to:

- Staff will only admit families upon confirmation of identity.
- Unauthorised persons will not be admitted.
- Sign the child/young person or vulnerable adult in using the register kept in the office, recording the arrival time, any other info (change in authorised person picking up the child etc must be passed on to the child's keyperson and manager).
- Staff will create a happy and engaging atmosphere and interacting in a warm and friendly way.

Departure Procedure

Only the parents/carers or a nominated authorised person is permitted to collect their children/young people from the centre. On departure from the centre.

Parents/carers/authorised adults are required to:

- Wait in reception until the relevant keyworker is available to hand over.
- Liaise with their child's keyperson about the child's day by centre staff.
- Encourage their child/young person to say goodbye to the staff and child/ young person's friends prior to departure.
- They must then exit the centre by being buzzed out by a member of staff.

The parents/carers or other authorised person is responsible for the child/young person as soon as the child/young person leaves the centre.

Staff are required to:

- Say goodbye to all the children/young people and vulnerable adults prior to them leaving.
- Ensure the children/young people or vulnerable adults have all their belongings and any creations they have made whilst at the centre.

Change in authorised person – one off arrangement

- The centre staff will check the details of the authorised person or adult by checking the child/young person's enrolment form or after seeking verbal permission from a parent/carer.
- Staff will ask for password.
- If the person is authorised, the child/young person will be released. If the person is not authorised the centre staff will take whatever reasonable measures to keep the child/young person at the centre and notify the custodial parent of the situation. However, at no time will the centre staff members endanger themselves or other children/ young people at the centre.

UNDER NO OTHER CIRCUMSTANCES WILL YOUR CHILD BE ALLOWED TO LEAVE THE CENTRE.
