

Sunbeams Play

Registered Charity No. 1152188

Partnership

56. Parental Involvement.

Policy statement

We believe that children/young people benefit most from our care when parents/carers and settings work together in partnership.

Our aim is to support parents/carers as their child/young person's first and most important educators by involving them in the full life of the setting. We also aim to support parents/carers in their own continuing education and personal development.

Some /carers are less well represented in some settings; these include fathers, parents who live apart from their children/young people but who still play a part in their lives as well as working parents/carers. In carrying out the following procedures, we will ensure all parents/carers are included.

When we refer to 'parents' we mean both mothers and fathers; these include both natural or birth parents as well as step-parents and parents who do not live with their children, but have contact with them and play a part in their lives. 'Parents' also includes same sex parents as well as foster parents and carers or grandparents.

'Parental responsibility' is *all the rights, duties, powers and responsibilities and authority which by law a parent of a child has in relation to the child and his property.*

Procedures

- Sunbeams Play has a means to ensure all parents/carers are included – that may mean we have different strategies for involving fathers or parents/carers who work or live apart from their children.
- Sunbeams Play consults with all parents/carers to find out what works best for them.
- Sunbeams Play ensures on-going dialogue with parents/carers to improve our knowledge of the needs of their children and to support their families.
- Sunbeams Play informs all parents/carers about how the setting is run and its policies through access to written information and through regular informal communication. We check to ensure parents/carers understand the information that is given to them.
- Sunbeams Play encourages and support parents/carers to play an active part in the governance and management of the setting.
- Sunbeams Play informs all parents/carers on a regular basis about their children's progress.
- Sunbeams Play involves parents/carers in the shared record keeping about their children, either formally or informally and ensure parents/carers have access to their children's, personal online 'Tapestry' account.
- Sunbeams Play provides opportunities for parents/carers to contribute their own skills, knowledge and interests to the activities of the setting.
- Sunbeams Play informs parents/carers about relevant conferences, workshops and training.
- Sunbeams Play consults with parents/carers about the times of meetings to avoid excluding anyone.
- Sunbeams Play provides information about opportunities to be involved in the setting, in ways that are accessible to parents/carers with basic skills needs, or those for whom English is an additional language.
- Sunbeams Play holds meetings at Sunbeams Play, which are accessible and appropriate for all.
- Sunbeams Play welcomes the contributions of parents/carers, in whatever form these may take.

- Sunbeams Play informs all parents/carers of the systems for registering queries, complaints or suggestions and check to ensure these are understood. All parents/carers have access to our written complaints procedure.
